COMMISSIONERS' REPORT

To the Citizens of Belknap County:

In compliance with the laws of the State of New Hampshire, the Commissioners of Belknap County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of the Farm and House of Correction, Clerk of Superior Court, Sheriff, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1935.

Unemployment in private enterprise is still our greatest problem. This is taken care of to a great extent by federal projects. The ski-jump in Gilford, a W. P. A. project, which entailed quite an expense for land, equipment, and transportation in 1935, will undoubtedly take many off the relief rolls in the coming year as all labor is paid directly by the federal government. This alone will give employment to 300 or more men for at least a year. Similar projects are the airport, the Weirs road, and the rebuilding of the County Farm barns.

There have been only minor repairs at the County Farm this year. These include painting and papering and a small amount of shingling. The House of Correction has been equipped with new beds. The big barn was destroyed by fire the evening of August 20th. Temporary equipment had to be provided such as a silo for the corn and a place to house the animals.

At the Court House new rooms have been finished in the basement for relief workers.

We are indebted to Mr. and Mrs. William J. Hartford, superintendent and matron at the County Farm for the manner in which they have conducted all matters coming under their supervision.

Rev. Frederic Fitzpatric of Belmont, chaplain at the County Farm, has contributed a great deal to the spiritual well being of our people and we wish to thank him for his generosity and devotion.

We extend our thanks to all those who have co-operated with us in our efforts to make conditions better and life more pleasant for those in our care.

Respectfully submitted,

JOHN MORRISON,
JOSEPH F. SMITH,
ARTHUR D. ROLLINS,

Belknap County Commissioners

COUNTY AUDITORS' REPORT

State of New Hampshire**Belknap, SS****To the Superior Court:**

We hereby certify that we have carefully examined the accounts of the County Commissioners and Treasurer, and cash account of the Superintendent of the County Farm for the six months ending June 30, 1935; that said accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value and price, according to the best of our information, knowledge and belief; that all such articles have been used for the benefit of the county; and that the charges for expense of the county commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing that there are no bills outstanding against the county, except for amounts due in the several towns for aid rendered to paupers and soldiers and their families, bills that have been contracted at the county farm since the last settlement, court orders and expenses, the amounts of which are unknown to them, amounts due commissioners, sheriff, and solicitor for services since June 1, 1935, and Treasurer for services and Commissioners for expenses since April, 1935, and notes to the amount of \$200,000.00, secured in anticipation of taxes.

Dated at Laconia, N. H., this 29th day of July, 1935.

REPORT OF COUNTY SOLICITOR

January 28, 1936.

Belknap County Commissioners
Court House
Laconia, N. H.

Gentlemen:

I hereby submit a report of my work for the first year of my term as County Solicitor:

I have endeavored to give to all persons seeking my advice on County matters prompt and courteous attention. Besides the time required in criminal matters I have tried to promptly and satisfactorily dispose of all matters referred to me by the Commissioners.

When I took office, April 1, 1935, there were pending on the criminal docket of the Superior Court for Belknap County, twelve cases, all of which have been disposed of with the exception of two, one of which has been appealed to the Supreme Court. Two cases were tried in April, 1935, and resulted in verdicts of "Guilty."

Four criminal cases of a serious nature were entered at the October, 1935, Term of Superior Court, namely:

State vs. Robert H. Wilkinson—Sentence not less than
1 year and 1 day. State Prison.

State vs. Samuel Bernier—Sentence not less than 1
year and 1 day, State Prison.

State vs. Robert Avery—Sentence not less than two
years, State Prison.

State vs. Joseph Cartier—Sentence not less than 8
years, State Prison.

Since April 1, 1935, I have investigated and prosecuted in the Superior Court and various Municipal

Courts throughout the County a total of thirty-nine criminal cases.

Respectfully submitted,

HAROLD E. WESCOTT,
County Solicitor.

CHAPLAIN'S REPORT

Belmont, N. H.

February 14, 1936.

To the Commissioners of Belknap County:
Gentlemen:

In submitting my fourth annual report as Chaplain of the Belknap County Farm I sincerely feel that the past year has been perhaps the best since I assumed the office of Chaplain. All of the services have been very well attended and there has been a fine spirit of cooperation upon the part of those present to make the meetings helpful. I have endeavored to provide good musical programs each Sunday and the inmates have been very appreciative indeed. It is quite surprising the great love and appreciation they have for good music.

During the year special services were held at Christmas and Easter and gifts given each person in the Jail, House of Correction and at the Home. There has been quite a lot of sickness and several deaths and I have tried to do the best I could to comfort and encourage those standing in the need of spiritual help. In all the work of the year I have found Mr. and Mrs. Hartford most kind and sympathetic to the work I am trying to do. I also want to thank you as Commissioners for your sympathy and helpfulness in the

work. The new song books which you secured have been greatly enjoyed.

I still deplore the fact that the people of the County, especially, the church people, are so indifferent to those at the Farm. Many of the inmates seem completely forgotten as far as their relatives and friends are concerned.

Trusting that all who have to do with the work of the County Farm may be given grace and wisdom, I am,

Very truly yours,

FREDERIC W. FITZPATRIC,

Chaplain.
